

Crackling Prime Rack of Pork

Chef Lynda Larouche is inspired by flavours, flavours that tantalize and delight her dining guests at Watermark restaurant on Kitsilano Beach in Vancouver. The flavour and tenderness of Sterling Silver Pork caught her attention and has found a home on her latest menu.

The Crackling Prime Rack of Pork is the newest offering in the Sterling Silver Pork lineup. This truly unique entree offers the outstanding performance and flavour that has established Sterling Silver Pork as a truly premium dining experience. Along with these proven features the Prime Rack has the added feature of traditional crackling for a tasty crunchy treat.

Available in a variety of specifications, including the Xtreme 4" Rack with Crackling (shown above), the traditional 2" rack or the boneless Crackling Gammon Roast.
